Summit Academy's Annual Mountaintop Breakfast is a powerful and moving event where students, families, and alumni share their stories. This event, with approximately 200 in attendance, raises awareness about Summit Academy and its impact on our students. Attendees learn about our dedicated teachers and staff, speech and occupational therapy, and the need for tuition assistance. You will learn why, at Summit, we believe that great minds don't think alike.

Summit Academy (Tax ID # 61-1214457) has been educating students with learning differences since 1992. Our mission is to provide a transformative educational experience for students who learn differently by cultivating each student's academic, social, and emotional success in a vibrant and compassionate environment. Summit currently serves approximately 100 students, Pre-K - 12th grade.
